Art Unit 2174

Allowable Subject Matter

Claims 1-8, 11-22 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach "wherein a display screen of file processing apparatus is divided into at least four different areas at a given point in time so as to include each of the file display region, the folder selection region, the selected display region and a process display region, so that the display screen simultaneously displays each of the following at the given point in time: (a) the folders for selection in the folder selection region, (b) the icons of the plurality of predetermined files in the file display region which are from selected folder(s) from the folder selection region, the file display region being different than the folder selection region, (c) at least the selected file in the selected display region which is different than the file display region, and (d) process icons in the process display region indicative of processes that the selected file can be subjected to;"

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
